HARD CIDER

BLUE MOUNTAIN CIDER COMPANY

The Blue Mountain Cider Company is proud to present a handcrafted semi-dry cider, fermented from select apples grown in the Walla Walla Valley. Our lightly carbonated cider has a refreshing taste balancing sweetness and acidity with an unmistakable quality that stimulates the palate. Not as strong as wine nor as filling as beer, our hard cider warms the heart and frees the spirit. *Serve chilled.*

Ingredients: fermented apple juice

Produced and Bottled by:

Blue Mountain Cider Company, LLC

235 East Broadway

Milton-Freewater, OR 97862
